

Selped
ADULT DIAPER

Four packages of Selped Adult Diapers are shown, each labeled 'YETİŞKİN HASTA BEZİ' and 'Islaklık Göstergeli'. The packages are in different sizes: 16, 20, 8, and 10.

SPECIAL FEATURES OF SELPED ADULT DIAPERS

- **WETNESS INDICATOR**
SELPED adult diapers special feature yellow colored triple strip wetness indicator turns into blue color after getting wet. So you can control when the diaper needs to be changed.
- **QUICK ABSORPTION AND DISTRIBUTION SYSTEM**
The green layer special to SELPED adult diaper immediately transfers the liquid to the inside core and keeps the skin dry.
- **RESEALABLE TAPES FOR IDEAL FIT**
You can adjust the diaper to the best comfortable fit and control many times.
- **EXTRA PROTECTING WIDE LEG CUFFS**
SELPED adult diapers special wide leg cuffs gives extra safety for leakage compared to standard diapers and protect the clothes or bed from getting wet.
- **DOUBLE LAYER CORE SYSTEM**
Double layer core transforms the liquid in to gel form and keeps the skin dry.
